## St. Anne's Circle

St. Anne's Circle was started in the early "1960's" by Cora Klotz, Ann Polyak and Betty Klose, of which Betty is still an active member. Our meetings are always opened with a prayer to St. Anne. We have eight members and meet three times a year. We have a spring salad luncheon, fall soup luncheon and a Christmas Party. At Christmas we support a local needy family by supplying toys and clothing. We take our turn preparing and serving meals for funerals.
